Lawson Air Conditioning pricing represents “Pricing From” as a standard installation. Non-standard installation pricing will be based on your individual installation requirements and will need to be quoted separately by our Sales Team. Pricing does not represent new builds or replacement installations. Brisbane pricing covers the Brisbane region. Sydney pricing is within 20km from our Campbelltown office. All other areas to be quoted.

Wall Split Air Conditioner Installation

- Single story (lowset) home with back to back installation, maximum of 3m pipe run.
